**Re: WC Docket No. 05-237: Notice of Consummation – Domestic Section 214**  
Application for Transfer of Control of nii Communications, Ltd from nii  
Communications, Inc., to Cleartel Communications, Inc.

Dear Ms. Dortch:

Cleartel Communications, Inc. ("Cleartel") and nii Communications, inc. ("nii" and with Cleartel, the "Parties") hereby notify the Commission that the transactions described in the above-referenced docket have been consummated. Commission approval of the transaction was granted by the Public Notice released on September 12, 2005 (DA No. 05-2287).<sup>1</sup> Concurrently herewith, Cleartel and nii are filing a separate consummation notice with the FCC's International Bureau.

An original and four (4) copies of this letter are enclosed for filing. Kindly date-stamp the extra copy and return it in the enclosed envelope. Questions regarding this matter may be addressed to the undersigned.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Catherine Wang".

<sup>1</sup> The transaction described in the initial filing contained a description of an intervening step in the transaction whereby a newly formed subsidiary of Cleartel Communications, Inc. would temporarily take control over nii and would subsequently be liquidated. The initial filing inadvertently identified the subsidiary's name as IH NII Acquisition, Inc. whereas the correct name is IH NII Acquisition, LLC. There is no overall effect on the transaction since the company was liquidated, as discussed, as part of the transaction.
